

# November 2022

N22BBM

“Movember” is the leading charity changing the face of men's health. The Movember charity provides much needed funds in the battle against prostate cancer, testicular cancer, mental health and also in suicide prevention.

The CJV Movember team was made up of Eoin Regan, Niall Gibbons, Shane Donohue, Jerry O Keeffe and Steffan Coakley, who are all key members in the delivery of the N22 Macroom to Baile Bhuirne Road development scheme. The team “N22 Macroom Bypass Construction Team” decided to “Grow the Mo” to raise awareness particularly on mental health within the construction industry, which unfortunately accounts for half of male suicides in Ireland.

The team initially set a target of €1,000 which was quickly raised to €5,000 in Mid-November, due to an overwhelming response from all of the suppliers and sub-contractors on the N22 Scheme. By the end of November they had raised over €8,300 and they sit in 13th place on the Movember Business Club Ireland Leaderboard.
